

Student Residence

The Location

Our Student Residence is conveniently located between the Newlands campus and the City Centre campus in the suburb of Observatory. The University of Cape Town is very close by, which is why the area is full of young students with lots of places to go out. In Lower Main Road, only a 5-min walk from the Residence, you can find Pubs, Cafes, Restaurants and Bars. A supermarket and a launderette are also close by.

The MetroRail station is only a 2-min walk away. From there it is only 3 stations to the Newlands campus and 4 stations to the City Centre campus.

The Residence

The Residence is part of the YMCA, but fully managed by Good Hope Studies. There are 20 single rooms; 5 rooms share one bathroom.

The Residence was completely refurbished in early 2010 and now has a stylish, African look.

Each room is equipped with a bed, a desk with a chair and a wardrobe. The rooms are decorated in a modern, African style, with a picture in each room. Further each room is equipped with a reading light and a safe.

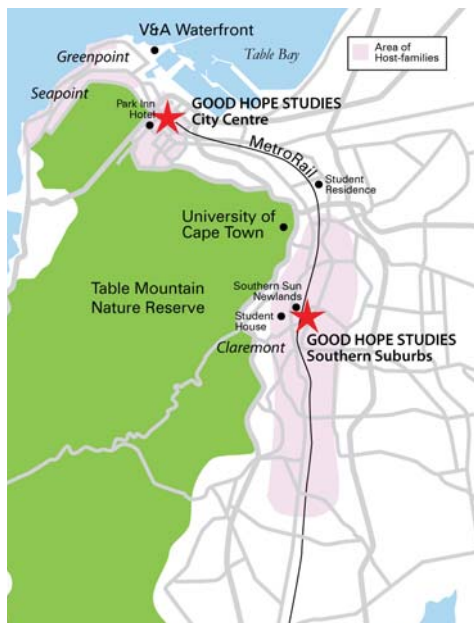

Bedding is provided, but bring your own towels. The Residence is regularly cleaned by our staff. However, students are required to keep their rooms and the kitchen clean.

The kitchen is fully equipped with a stove, a fridge, a microwave and a toaster.
